

Why Give?

Church Hope was founded by three seasoned leaders who recognize the value of pastoral leadership and the weight that leadership brings. They love investing in people who love the church of Jesus Christ and work diligently for his kingdom.

To this end, Church Hope partners with churches to provide a period of sabbatical rest for their pastor. During the pastor's sabbatical, Church Hope provides an experienced, highly qualified pastor to cover the local pastor's responsibilities and care for the needs of the local church, as requested by them.

The purpose of the sabbatical is for the pastor to get rest and refreshment and then return to the church with a healthy, renewed passion for serving the Lord and his people.

The primary services offered by Church Hope are focused on sabbatical coverage. It is the desire of Church Hope that sabbaticals will be made available at little or no charge to the local church. The local pastor continues to receive his salary, enabling the pastor to be fully compensated while absent, and the church to be blessed with minimal additional costs. By investing in Church Hope, you become a partner with us as we facilitate this process to the glory of God.

Our Mission

The Mission of Church Hope is to glorify God by providing rest, hope and encouragement to pastors through sabbatical coverage and other ministries.
